1. NMFD Daytime Hours

Councilwoman Duffie reported on a recent discussion with Chief Calnan, regarding daytime coverage within the borough and within other boroughs around the county, current trends and possible solutions. She said she invited Chief Calnan to attend this meeting to brief the Council on this discussion.

Chief Calnan said he would like the governing body to consider allowing the day member program, which provides for borough employees who are certified in firefighter 1 to respond to calls during work hours. He said the department is always able to provide fire apparatus at the scene, but they are light on manpower, and it takes time for members to respond. He said

the department averages about one call per day and a majority are during the daytime hours of 6:00 AM to 6:00 PM. He said this issue is not exclusive to New Milford, it exists within volunteer firefighting in general. He said another town has found success by making it a requirement for all DPW employees to be certified.

Mayor Putrino said he would like to create a committee, consisting of Chief Calnan, Assistant Chief Birnbaum, himself, FD liaison – Councilwoman Duffie, DPW liaison – Councilman Grotsky, DPW Director Cahill, DPW Superintendent Bresa and the Administrator, to explore the pros and cons and come up with a plan.

Councilwoman Duffie asked for clarification of mutual aid. Chief Calnan said we have mutual aid agreements with other departments for when we need more manpower and/or more resources. He said we have automatic alarms for mutual aid for certain buildings such as retirement home and schools.

Councilwoman Duffie asked Mr. Kelly for an update on another Fire Department matter regarding the request to revise the borough ordinance to reflect state law by lowering the minimum age for Jr. Firefighters from 16 to 14.

Mr. Kelly said our ordinance is preempted by state law. He said he was reviewing the matter and learned the borough has an explorer program as opposed to the state program so he has been looking at incorporating the explorer program or changing it to reflect the state program.

Assistant Chief Birnbaum said under borough ordinance there is an established Jr. Fire Department. He said each of the fire companies have individually sponsored an explorer post. He said the Jr. Fire Department members are age 16 to 18 and it was an expansion of the explorer program, which was from age 14 to 18 but was then extended to 14 to 23. He said the explorer role is limited.

Mr. Kelly said there is no reference to the explorers in the borough ordinance. Assistant Chief Birnbaum said this is because it was a civic organization under the fire companies. Mr. Kelly said he would recommend merging the two and he will work with Assistant Chief Birnbaum and the state representative to determine how best to achieve this.

2. Schedule Updates

The Mayor reported on the following:

- Roots to Rivers – Saturday, April 17th from 8:00 AM – 3:00 PM on Columbia Street. Volunteers welcome to help plant trees on the Blue Acres properties

3. COVID-19 Task Force Report

The Covid-19 Task Force met on April 1st. There were reports from the NMPD, NMFD, OEM, Ambulance Corps, Health Department, Administration, DPW, Recreation, the Board of Education and the Mayor and Council. Some of the topics discussed included the New Milford vaccination site, spring sports, indoor/outdoor dining, potential spring and summer events such as the Memorial Day observation, the 5th grade car wash, and the NMFD 5K. The next meeting is scheduled for April 15th.

Mayor Putrino commented on the success of the vaccination site, which recently administered 100 doses of the COVID-19 vaccine and is scheduled to administer an additional 100 doses this Wednesday. He also said spring sports are underway with no incidents reported.

4. Administrator's Report

- The Borough's bond sale took place on 3/25 and the borough received a very favorable rate of 1.45% for the \$11,995,000 bond issue.
- The Declaration of Intent was submitted to BCOS for the lights at Sutton Place Tennis Courts project. The project will be reviewed and if accepted, an application will be prepared for submission by the 5/14 deadline.
- The AARP Community Challenge grant application for benches and trash receptacles for the New Milford Woods has been completed and was submitted on 4/9.
- All New Milford restaurants that currently offer outdoor dining have completed the required permit application and have provided the appropriate proof of insurance and indemnification. All have been reviewed by the borough attorney, risk manager and zoning officer and updated permits have been issued.
- Online fillable forms, for tennis keys, garage sale permits, block party applications and no-knock registrations, among other things, are now available on the borough's website.
- A pre-construction meeting was held for a water main replacement on Hoffmann Avenue. This project is part of Suez's 5-year planning cycle and it is being replaced because of breaks in the main that have taken place in the past. The work is tentatively scheduled for 5/3 – 6/30 and will run from the Boulevard to Birch Street in Bergenfield, seven side street intersections will be affected. They will be replacing 1,460' of 8" water main, the old line will be abandoned in place to eliminate the need to provide a bypass. The new trench will be south of the centerline of the street between the existing main and the gas line. Notification will go out to residents a week prior, and information will be posted on the borough website. The final curb to curb repave of Hoffmann Avenue will take place approximately 2 months after the project completion. Future projects will include Columbia Street from River Edge Avenue to Henley Avenue and others, yet to be designed on New Bridge Road, Lynnwood Avenue and Neumaier Drive.

- The next meeting of the Mayor and Council is scheduled for Monday, 4/26

**RESOLUTION SUPPORTING S-3522 CREATING LOCAL PART OF THE
PUBLIC EMPLOYEES' RETIREMENT SYSTEM (PERS)**

WHEREAS, county, municipal, and other local governments have met their pension obligations as employers for more than a decade while the State of New Jersey has continued to underfund the pension systems in varying degrees since 1996 and thus created one of the worst publicly funded retirement systems in the entire nation; and,

WHEREAS, despite fulfilling their fiduciary duties in meeting their pension obligations, local governments across the State will experience double digit percentage increases in total employer pension contributions in 2021 as determined in figures recently published by the Division of Pension and Benefits in the State Department of Treasury; and,

WHEREAS, even more alarming for local government employers is the fact that the unfunded accrued liability once again increased in 2021 to a staggering \$26.6 billion for the Public Employee's Retirement System ("PERS") alone, causing in part, a decrease in the funded ratio for the Local Part of PERS to 65.4%, the State Part to 31.2%, and the combined rate to a disconcerting 52.2% far below the target funded ratio of 75.0%; and,

WHEREAS, S-3522 would divide PERS into two parts: A State Part for State employees, and a Local Part for all other employees; and

WHEREAS, the legislation creates a seven-member board consisting of three labor employee representatives, three management representatives, and one determined by the Board, tasked with operating the retirement system and directing policies and investments to achieve and maintain full funding; and

WHEREAS, this legislation is similar to the legislation that separated the Police and Fire Retirement System (P.L. 2018, c. 55) except for the control of investments and that management has an equal representation on the board, which was overwhelmingly supported by the legislature and signed by the Governor; and

WHEREAS, S-3522 would protect local governing bodies from the State of New Jersey further directing property taxpayer dollars to subsidize its long mismanagement and underfunding of the pension systems as it would provide the new balanced board of trustees of PERS with the ability to determine or modify member benefits, direct policies and investments to achieve full funding, and serve as fiduciary of the system;

NOW, THEREFORE, BE IT RESOLVED that the governing body of the Borough of New Milford does in fact hereby support S-3522, which would establish a new board of trustees for the Local Part of PERS to preserve the structure and integrity of the more solvent Local Part.

BE IT FURTHER RESOLVED that certified copies of this Resolution shall be forwarded to Governor Phil Murphy, Senate President Stephen M. Sweeney, Speaker of the General Assembly Craig Coughlin, Senator Joseph Lagana, Assemblywoman Lisa Swain, Assemblyman Christopher Tully and the New Jersey League of Municipalities.

I hereby certify that the above is a true copy of a resolution adopted by the Council of the Borough of New Milford at the meeting held on April 12, 2021.
