Roll Call of 2014 Council

Councilman Diego Robalino	Present
Councilman Austin Ashley	Present
Council President Randi Duffie	Present
Councilman Dominic Colucci	Present
Councilwoman Hedy Grant	Present
Councilman Michael Putrino	Present
Mayor Ann Subrizi	Present

Mayor Subrizi welcomed the audience for the New Year.

OLD BUSINESS:

Unfinished business for the year 2014.

Councilman Ashley made a motion to include Captain John Kiene in the promotional process, if he so chooses to take advantage of it, in the search for a new Police Chief.

Mayor Subrizi said she was not sure if Councilwoman Duffie and Councilwoman Grant would be eligible to vote since their certificates of election expired on December 31st. She further stated that even though they have not been sworn in yet, Council Elect Alonso and Council Elect Cabrera could have been sworn in at any time this week but their official election began on January 1st.

Councilman Putrino said he would second the motion, and if an attorney, after sine die, says there is a problem with it the Council can discuss it at that time.

Mayor Subrizi said the Council is currently without an attorney as the current borough attorney called earlier in the evening to advise he would not be able to attend the meeting. She said there will be a nomination for a new attorney in the second part of the meeting and she suggested waiting until there is attorney seated to provide advice.

Councilman Ashley said there is a motion and a second and he called for a vote.

Mayor Subrizi said she believes there are two members who are not permitted to vote. She said as the person presiding over the meeting she does not feel comfortable taking a

vote she feels is illegal. She again suggested waiting until such time as an attorney could be consulted.

Councilman Ashley said the bylaws state that something not on the agenda needs the majority of Council to put on the agenda.

Mayor Subrizi said it would be a majority of four people.

Councilman Putrino asked if this is the case why unfinished business would be listed on the agenda.

Mayor Subrizi said the sine die meeting a way of closing out the year on paper; if either of the Council Elect members had chosen to be sworn in prior to this meeting they would be the councilpeople of record for this meeting. There is no allowance for eight people, only six. She said the 2014 Council would have to vote in 2014.

Council President Duffie said there was a communication between our attorneys regarding a lawsuit and a settlement. She said that letter was communicated in November and people who were on the Council at that time have not seen that letter. She said perhaps if they had seen the letter before the December work session there may have been this vote at that time.

Mayor Subrizi said she received a copy of that letter on December 2nd and on December 15th when the conversation came up the Council decided to review it to research what had happened with the judgement. She said no one had the judgement at hand and no one had the letter at hand and it was decided that we needed time to research the matter.

Council President Duffie said the letter was not made available to a few of the Councilpeople. Mayor Subrizi said because it is on the agenda for the January 12th work session. Council President Duffie said it was a communication that happened in November. She said perhaps it was a failure on the professional or perhaps a failure somewhere else but it does affect what has been brought forward right now.

Mayor Subrizi said the letter is merely a reiteration of what the attorney advised us of at the November meeting; the information was imparted to the entire Council, by the attorney, at that meeting.

Councilman Ashley said he made a motion that was seconded and there needs to be some resolution to this before the Council can close business. He called for a vote.

Mayor Subrizi said she still maintained there are two Councilmembers present who are not permitted to vote in 2015. She said if a roll call is taken it would be of the four members who are eligible to vote.

Council President Duffie said if Mayor Subrizi wished to make her appointment of the attorney out of order he could provide an opinion. Mayor Subrizi said she did not believe it would be appropriate to appoint the attorney prior to the sine die meeting.

Council President Duffie said there have been other instances where legal counsel was needed at a sine die meeting and suggested counsel representation should have been made available. The Administrator advised that she was notified by the attorney that he would not be attending the meeting via voicemail message at 4:30 that afternoon. She said during prior conversations he had indicated he would be in attendance. Mayor Subrizi said had anyone told her prior to the meeting that this matter was to be raised it could have been researched so the Council would not be unsure of the next step.

Councilman Ashley asked who would be called for a vote to close this meeting sine die. Mayor Subrizi said in the past it has been the six people from the prior Council. Councilman Ashley said that would be the 2014 Council and this is still business in 2014. The Mayor said it is on the agenda for the next work session. The Administrator said it is not 2014 business on the 5th of January in 2015. Councilman Ashley said there is a motion and a second. The Mayor said she would ask for a roll call of the four people eligible to vote.

Councilwoman Grant said she and Councilwoman Duffie should be permitted to vote and allow an attorney to make a determination after the fact if that is so required. She said she does not believe the Mayor has the legal knowledge to make the determination. Mayor Subrizi said, with all due respect, she does not believe Councilwoman Grant, Council President Duffie or Councilman Ashley have that knowledge either.

Councilman Colucci said there are many things that are going to carry over into 2015 that were discussed in 2014 but they will not be voted upon until 2015. He said all of the 2014 Councilmembers had the information in 2014. He said he does not understand why it was not raised then. Councilwoman Grant said some of the Councilmembers did not get the letter. Councilman Colucci said it was discussed. Councilman Putrino said he thinks the December meeting would have went differently if the Council had the letter. Mayor Subrizi said there are many times at meetings when we do not have the information at hand and the matter is carried over to the next meeting.

Councilman Putrino said he agreed with Councilwoman Grant, take the roll call and if need be, address it later.

Mayor Subrizi said she would call for a roll call of the 2014 councilmembers that are eligible to vote in 2015. She said following the sine die a new attorney will be appointed and we can review the action taken. Mayor Subrizi said she resented not being informed of any of this prior to the meeting. She said she has been put on the spot and must make a decision and her decision is to allow the vote of the councilmembers who will be eligible to vote in 2015.

The motion failed on a roll call vote as follows:

For the motion:	Ashley, Putrino
Against the motion:	Robalino, Colucci, Subrizi
Abstain:	None

Both Councilwoman Duffie and Councilwoman Grant cast provisional votes in favor of the motion.

In casting his vote, Councilman Robalino said he based his vote upon the details of the agreement with Captain Kiene.

In casting his vote, Councilman Ashley said he believes we need to have the most qualified, highly experienced officer as the Police Chief of New Milford and everyone should have the opportunity.

In casting his vote, Councilman Putrino said he feels it would be a disservice to the Borough not to include Captain Kiene in the process.

In casting her vote, Mayor Subrizi said she voted not to have Captain Kiene participate in the process due to the fact that the judgement states that he will not and there were several provisions of the judgement. By allowing Captain Kiene to participate in the process we would effectively eliminate all of the judgement except for two items – his promotion to Captain and the \$125,000 award. There were four other provisions and without the judgement in whole she does not believe the Council would have made the decisions that were made. She said there was an option to go to a jury trial and had she known that all of the negative criteria of the judgement would be voted out perhaps there would have been a different decision.

A motion is made by Councilman Colucci, seconded by Councilman Ashley to close the meeting. SINE DIE. The motion passed on a roll call vote. All present in favor, none opposed.

BOROUGH OF NEW MILFORD

BERGEN COUNTY, N.J.

CODE OF ETHICS

JANUARY 1, 1984

NEW MILFORD CODE OF ETHICS

A resolution Establishing a Code of Ethics For The Officials and Employees of the Borough of New Milford And Providing Penalties for the Violation Thereof,

Whereas, the public judges its government by the manner in which public officials and employees conduct themselves in the posts to which they are elected or appointed; and

Whereas, the people have a right to expect that every public official and employee will conduct himself in a manner conducive to the preservation of public confidence in and respect for the government he represents; and

Whereas, the Borough Council deems that such confidence and respect can be best preserved by a declaration of policy and the adoption of a code of ethics to establish standards of conduct for the officials of New Milford:

Now, therefore, be it resolved by the Borough Council of the Borough of New Milford as follows:

Section 1 - DEFINITIONS

- a. Official or employee – Any person elected or appointed to, or employed or retained by, any public office or public body of the municipality, whether paid or unpaid and whether part-time or full-time.
- b. Public body – Any agency, board, body, commission, committee, department or office of the municipality.
- c. Financial interest – Any interest which shall yield directly or indirectly, a monetary or other material benefit (other than the duly authorized salary or compensation for his services to the municipality) to the official or employee or to any person employing or retaining the services of the official or employee.
- d. Person – Any person, firm, association, group, partnership or corporation, or any combination thereof.

Section II – Fair and Equal Treatment

No official shall

- a. Request, use, or permit the use of any consideration, treatment, advantage or favor beyond that which it is the general practice to make available to the public at large;

- b. Request, use or permit the use of any publicly-owned property, vehicle, equipment, material, labor or service for the personal convenience or the private advantage of himself or any other person, except if such use is in the conduct of official business of the Borough;

Section III – Conflict of Interest

No official shall

- a. Either for himself, or on behalf of any other person have any other person have any financial or personal interest in any business or transaction with any public body in the municipality unless he shall first make full public disclosure of the nature and extent of such interest;
- b. Appear on behalf of any private person, other than himself, before any public body in the municipality;
- c. Accept any gifts of a compromising nature, whether in the form of money, thing, favor, loan or promise, that would not be offered or given to him if he were not an official or employee;
- d. Disclose any confidential information concerning any other official or employee, or any other person, or any property or governmental affairs of the municipality, without prior formal authorization of the public body having jurisdiction. Whether or not it shall involve disclosure, no official or employee shall use or permit the use of any such confidential information to advance the financial or personal interest of himself or any other person.

Section IV – Violations

- a. In the event that any official of New Milford does not comply with the aforementioned standards, a charge may be instituted by the Borough Council or any individual when he has knowledge or information indicating that a violation exists. Such charge or charges shall be in writing under oath and shall be signed by the person charging a violation thereof as the case may be and shall contain a clear and concise statement of the facts alleged to constitute such violation. The Borough Council shall promptly set a date for formal hearing of the charges and shall serve a copy of the charges on the accused and shall advise him, in writing, of the date and place of such hearing at least ten days prior to the announced date. Such hearing shall not be public unless requested by the accused official. At such hearing, charges shall be presented, and supporting evidence shall be received, and the accused shall be offered an opportunity, either personally or by counsel, to cross-examine the witness to be heard and to present evidence on his own behalf. In the event that the accused shall be a member of the Governing Body, said accused shall not take part in any deliberations with respect to the hearing or determination thereof.

- b. As soon as practicable after conclusion of said hearing, but not later than thirty days, the Governing Body shall render a written decision on the charges and shall mail a copy thereof to the accused and file a copy with the Borough Administrator.
- c. Should the Borough Council decide that the conduct of any accused official was indeed improper, the Governing Body, based upon the evidence preferred, may institute appropriate action for public censure, suspension or removal from office of said official or employee.

Section V – Inconsistencies with Previous Ordinances

All ordinances or parts of ordinances inconsistent with the provisions of this ordinance are hereby repealed as to such inconsistency.

Section VI – Passage and Publication of Resolutions

This resolution shall take effect after final passage and publication in the manner provided by law.

BOROUGH OF NEW MILFORD PURCHASING PROCEDURES

Below is an outline of purchasing procedures which are being implemented as part of the Borough's Purchasing Policy.

The purpose of the following procedures is to provide all Borough Departments assistance in securing the best merchandise or service in an efficient and economical manner and in accordance with all statutory requirements. These procedures may be changed, amended or updated periodically.

Please note department heads are legally responsible for their budgets under Chapter 131, PL 1989.

Once obligations are encumbered for the year, these funds are "held" aside and unavailable in your budget. It is critical to review your budget balance monthly and plan accordingly. Once your budget has been spent, there will not be any funds available and your budget will be frozen. YOU MUST PLAN ACCORDINGLY AND KEEP A WATCHFUL EYE ON YOUR BOTTOM LINE!!

Requisitions:

A. All requisitions will be input into the Munidex Sytem and a printed requisition should be sent to the QPA accompanied by one of the following:

(reminder: should your total budget no longer have available funds the system will not allow you to process a requisition. If this occurs you will have to notify the CFO, in writing, of all pending requisitions and wait for a budget transfer if authorized. YOU WILL NOT HAVE THE AUTHORITY TO MAKE THE PURCHASE UNTIL THE PURCHASE ORDER IS APPROVED!!

1. A phone quote for the exact amount of the purchase if less than \$1,500
2. Three (3) phone quotes if over \$1,500 and less than \$5,400
3. Three written quotes if over \$5,400 but not greater than \$36,000 and authorization of the Administrator
4. A valid State Contract number
5. Resolution number authorizing contract, project or purchase (if applicable)
6. Ordinance number authorizing purchase or project (if applicable)

- B. The QPA will review all information for accuracy and compliance. If there are any discrepancies (i.e. state contract has expired, the vendor does not have a NJ business registration or W9 not completed) the requisition will be returned unable to process.
- C. Upon approval of the requisition, by the QPA, the purchase order will be submitted to the CFO for certification of funds availability. Each PO should have as much pertinent information as possible on it: Quote #, Contract #, all particulars of the order in detail. The CFO may, at this time return unapproved requisitions with an explanation or change budget codes if determined to be necessary.
- D. The purchase order will be certified for funds availability, encumbered, and the approved Purchase Order returned to you. NOW you are authorized to order the materials. Submit the PO (and payment vouchers if drawing down) to the vendor for original signatures.
- E. After the goods or services have been received and inspected, the department manager should sign the copy of purchase order and/or payment voucher as completed and submit to Accounts Payable for payment. All drawdown vouchers will require original vendor signatures. Send signed PO or Payment Voucher with attachments to accounts payable for processing payment.

Encumbering recurring obligations:

All contractual, leases, and recurring monthly obligations should be encumbered in full for the remainder of the year.

- A. Blanket PO's should be established for all recurring expenditures. This includes (but is not limited to) monthly contracts, lease agreements, professional services and vendors used regularly such as auto parts, hardware, food. Encumbrances will be made in accordance with adopted temporary budget amounts on a quarter by quarter basis until adoption of the final budget.
- B. PO's for these services will be fully encumbered with the actual contract amount or an estimate (as close to actual as possible) to the end of the year (December 31st).
- C. If estimated, the PO should state "Blanket Order not to exceed"
- D. Payment Vouchers shall be utilized to "draw down" on encumbrances that are not being paid in full.
- E. The Department is responsible for maintaining a central file of original PO's that have been encumbered until they are paid in full or canceled.

F. All PO and Payment Vouchers must have original signatures!! This is required by law. If not the PO and Payment vouchers will be returned to the department manager unprocessed Therefore each department can:

1. Send Blanket PO along with several Payment Vouchers to the vendor for original signatures or,
2. Send Blanket PO to vendor for original signature and payment voucher for original signature each time a payment is to be made.

G. When and invoice/bill is received, the department manager will submit a Payment Voucher, original invoices and original signatures for payment or draw down to accounts payable to initiate the monthly payment or "drawn down" against the encumbered funds. There will not be a need to type another PO. If the Payment Voucher is incomplete it will be returned.

H. Purchases Orders are only valid for expenditures occurring in the calendar year in which they are encumbered. They cannot be used for the following year. After a PO is paid in full for the calendar year and all remaining invoices, through December, have been paid, the PO shall be canceled.

I. If the final payment or drawn down on a blanket Purchase Order exceeds the balance available of the original encumbrance, you may request the original to be increased only to a maximum of an additional \$1,500 as per our quote policy. If more is required you must cancel the original and re-encumber the final amount needed. In the case of certain contractual items, you may seek CFO approval to increase above the \$1,500 threshold.

Emergencies:

Emergency purchases may be made sparingly and are not an acceptable substitute for planning. Therefore it is prudent to have blanket orders established for car parts, plumbing, heating, electrical services etc.

An emergency as defined by the State is "a situation which endangers the public health, safety and welfare". Only in such circumstances may a purchase be made without a purchase order or encumbering funds.

- A. The department manager must notify the Administrator of the emergency and what services are required.
- B. If the Administrator determines a true emergency exists, you should follow all steps under the Requisitioning process. You may proceed with the purchase. The department will initiate a requisition by the first business day immediately following the emergency. All proper paper work and documentation must be obtained!! This will then be processed in the normal manner. Vendor will not be paid if ALL proper paper work (requisition, purchase order, invoice) is not processed.
