Councilwoman Sirocchi-Hurley made a motion to approve of the minutes from the November 29, 2021 Closed and Public Session meetings. Council President Grant seconded the motion. The motion carried. All present in favor, none opposed.

NEW BUSINESS:

1. Environmental & Energy Commission – Year-End Report

Councilwoman Sandhusen introduced Environmental & Energy Chairperson, Lynn Torpie. Ms. Torpie said the commission has retooled to ensure that the work is more in line with its foundational ordinance, which includes a year-end report.

Ms. Torpie reported on the commission's work to make the New Milford Woods more useable with a \$1,500 grant from ANJEC. She said much was accomplished with the collaboration of the DPW and culminated in a dedication day. She said ANJEC was very pleased with the project and the EEC will continue to make improvements, including a trail board, which will be created and installed as part of an upcoming Eagle Scout project.

In addition to the New Milford Woods project, Ms. Torpie said the EEC worked on the creation of bylaws, gathered information for an electronic vehicle charging station and participated in Clean Communities Day. She said future goals include assisting businesses in

the transition from single use plastic bags and the creation of an Environmental Resource Inventory which will help to inform decisions, with regard to development, going forward.

2. NMPD Ordinance Recommendations

The Administrator referenced the memo on the two proposed ordinances, which had been circulated previously. She said the first is for the cutting of plant life within a certain distance of a roadway or intersection. The ordinance currently requires notice to be sent by the Police Chief. She said NMPD is requesting to change the ordinance to permit notice to be sent by the Police Chief or their designee or the Property Maintenance Officer or their designee. She said the second ordinance pertains to overweight vehicles on certain borough roadways. She said the current penalty is significantly less than the state penalty for the same offence. She said NMPD has recommended a penalty of \$250 for vehicles between four and ten tons and a penalty of \$500 for anything over ten tons.

There were no questions or objections on either ordinance. The ordinances will be prepared for introduction on January 10, 2022.

3. Municipal Prosecutor Salary

The Administrator referenced the previously circulated memo from the Court Administrator. She said pre-pandemic court was held twice per month and the prosecutor was paid \$12,000 annually. She said court has been being held weekly and will continue in this manner for the foreseeable future. The Prosecutor has requested an increase to \$18,000.

Councilman Grotsky made a motion to authorize a salary of \$18,000 annually for the Prosecutor. Council President Grant seconded the motion. The motion carried on a roll call vote. All present in favor, none opposed.

4. Warren Street Park

Mayor Putrino said the governing body discussed and approved a recommendation in March to add parking and an ADA accessible space at Warren Street Park. He said last week construction got underway and was met with some concern by residents in the area. He said he met with some of the Sheridan Street residents who asked for something less intrusive. As a result, an alternative has been proposed to eliminate the parking spaces in the park and create just one ADA accessible space on Sheridan Street with an ADA accessible curb cut and walkway. He asked the Council to weigh in on whether they wished to move forward with the original plan or would prefer to go with the alternate plan.

Council President Grant said we should go with the alternate plan, which fulfills the ADA requirements, since the original plan is not desired or necessary. Councilman Seymour concurred saying we should accommodate the legitimate concerns of the residents of the neighborhood, while meeting the ADA requirements.

Mayor Putrino credited the DPW for recognizing deficiencies and offering alternative solutions when other issues are brought forth. He then asked for a motion.

Councilman Grotsky made a motion to create one accessible space on the street and install a curb cut and pathway with no additional spaces being added to the park. Councilwoman Grant seconded the motion. The motion carried on a roll call vote as follows:

For the motion: Seymour, Grotsky, Sandhusen, Grant

Against: None

Absent: Duffie

Abstain: Sirocchi-Hurley

Councilwoman Sirocchi-Hurley said she has a family member who resides in the neighborhood, which is why she abstained.
