Councilwoman Randi Duffie	Present
Council President Ira Grotsky	Present
Councilwoman Lisa Sandhusen	Present
Councilwoman Hedy Grant	Present
Mayor Michael Putrino	Present

Also Present: K. Kelly – Borough Attorney; C. Demiris – Administrator/Borough Clerk

UNFINISHED BUSINESS:

Councilwoman Duffie made a motion to approve the minutes from the June 22, 2020 Work/Public Session meeting. Councilman Seymour seconded the motion. The motion carried. All present in favor, none opposed.

NEW BUSINESS:

1. Police Department Staffing – Chief Clancy

Council President Grotsky said the department is currently down two police officers and a third will be retiring at the end of August. He said the Police Department would like to hire three new officers.

Chief Clancy said the department announced they were hiring pre-COVID looking for certified or full Class 2 officers. He said they received approximately 70-80 resumes and after review sent out 40-50 applications. He said the hiring committee, consisting of three senior Lieutenants, two Captains and the Chief, reviewed all the applications and did background checks and interviews for the top eight candidates. The Chief said he is recommending the top three for hire and then reviewed their qualifications, as outlined previously in an email. He said of the other five, one has been eliminated but the other four remain eligible should there be additional retirements in the short term.

Councilwoman Grant said she is impressed with the candidate's credentials. Councilman Seymour echoed this sentiment and added that they all seem community minded. Mayor Putrino said they will all make good additions to the department.

2. NMFD Out-of-Service Tower Ladder

Councilwoman Duffie said the NMFD has taken possession of the new ladder truck and the old one is no longer in service. She said there has been some interest in the old truck from the Bergenfield Fire Department for use in their training facility.

Mr. Kelly said the disposition of public property must be done by auction but can be transferred to another governmental agency under certain circumstances. He said there may be some restrictions based upon the grant received for the new truck, although it would probably be permissible to transfer it to another department for training purposes.

Councilwoman Duffie asked how to proceed. Mr. Kelly said to do it in accordance with law, the request would need to come from the Bergenfield Administrator.

Mayor Putrino asked if the Council would be in favor of the transfer to Bergenfield if all requirements could be met. Mr. Kelly said the alternative would be to go to auction.

Councilwoman Sirocchi-Hurley asked who would receive the money if it were to go to auction. Mr. Kelly said it would be deposited to the general fund.

The Council indicated they would support the transfer of the ladder truck to Bergenfield.

3. French Huguenot Cemetery – N. Varettoni

Historic Preservation Chair, Nancy Varettoni, said one of the concerns for the Commission has been the condition of the tombstones. She said she had consulted with several resources to locate a product that could be used to clean the tombstones and the one that was recommended most is from a company named Atlas. She said they ordered the product with the intention of cleaning the tombstones themselves. She said she has since learned that Atlas conducts workshops on how to clean and repair the stones and may be interested in holding a workshop at the French Huguenot Cemetery. She said they would not complete the entire cemetery but could help save time and money by showing the Commission how to clean, repair and reset tombstones that have tipped over.

Councilwoman Duffie asked if the workshop would be filmed, which would provide an opportunity to train more people. Ms. Varettoni said she would certainly encourage it.

Councilwoman Grant asked about the application process, noting there would be just one cemetery selected in the state. Ms. Varettoni said she is not sure of how many others they may be considering but when she spoke to Atlas, she got the impression that there were not many in the state.

Councilman Grotsky asked Mr. Kelly if there is anything that may need to be considered. Mr. Kelly said it would require a typical indemnity agreement from the JIF but that he thinks it would be a great opportunity for the Borough.

All members of the governing body agreed to proceed.

4. Schedule Updates

Mayor Putrino reviewed the following:

- Borough Hall will be open to the public, by appointment only, beginning on August 3rd
- The Municipal Alliance has tentatively scheduled the Fishing Derby for September 12th at Hardcastle Pond
- The Municipal Alliance has tentatively scheduled the ADAM event for November 15th at Hardcastle Pond
- The Classic Car Show is scheduled for October 4th at the former Shop Rite parking lot
- Relay for Life is scheduled for October 3rd
- Registration for Fall Recreation and Travel Soccer is scheduled for August 4th through August 10th

5. River Edge Car Show – Sunday, October 4, 2020

Mayor Putrino said the administrators of the show have permission to use the former Shop Rite parking lot. He said the event will be scaled back, with greater distance between cars. He said it went well last year and there were no issues.

6. DOT Culvert Grant

The Administrator reviewed the information that had been provided previously to the governing body. She said the project consists of repair to three separate culverts; the grant from the DOT is for \$225,000 and the engineer's estimate for all three is \$213,800. She said the grant would not cover approximately \$57,000 in engineering expenses. It was noted that most of the project cost was for the Steuben Avenue culvert. The Administrator said that the estimate for Steuben Avenue was based upon lining as opposed to reconstruction. She said if the DEP determines lining would reduce the capacity, they may deny the permit and the culvert would have to be reconstructed at an additional cost of \$50,000. If reconstruction is required, it will be necessary to relocate the one resident that will be affected by the construction.

Council President Grotsky said he had requested a breakdown of the \$45,000 engineering design cost for the Steuben Avenue culvert. The Administrator said the breakdown is as follows: Survey - \$5,500; DEP Pre-Application Meeting - \$5,000; Ecological Services - \$16,500; and Design - \$18,000.

The Administrator said Kevin Boyer of Maser Consulting will attend the next meeting to discuss further and answer any questions. She said he will also review the proposed concept plan for Knights Field at that time.

7. Council Chambers – Live Streaming System

The Administrator said she has started to explore options to broaden the reach of in-person meetings when the meetings return to Council Chambers. She said the virtual platform we are utilizing currently has opened the meeting to a wider audience, allowing people to join

us live or view later once it is posted on the website. She said one way to do this is with a ceiling mounted camera in the Council Chambers and a streaming encoder to stream to YouTube. She said she has obtained a proposal from our current sound system vendor and it was significantly less than a similar proposal from another vendor.

Councilwoman Grant asked if we know how many views the meetings are getting after they are posted to the borough website. The Administrator said she does not think it is being tracked. Councilwoman Grant said she is in favor of broadcasting the meetings.

Mayor Putrino said video is the way of the future; it allows people to view the meeting at their convenience. He said also that people may not wish to attend in-person when regular meetings resume.

Councilwoman Sandhusen asked if there would be a video component for public participation. The Administrator said there would not be a video component for remote public participation but that viewers could call in with questions if the governing body decided to allow it. Councilwoman Sandhusen asked about accessibility through closed captioning. The Administrator said she would look into whether or not it would be possible.

The governing body opted to proceed. The Administrator will prepare a resolution to award based upon the proposal that was forwarded previously to the governing body.

Mayor Putrino asked to have resolutions 2020:186 through 2020:188 pulled from the consent agenda for a separate vote.

Councilwoman Duffie asked about resolution 2020:174. The Administrator explained that the Borough bills for damage to public property and that there is currently no established hourly rate for the services of the DPW. She said establishing an hourly rate will assist in this process going forward.

Councilwoman Grant asked if resolution 2020:181 establishes what can and cannot be purchased. The Administrator said the specific items are listed in the resolution.

As resolutions 2020:186 through 2020:188 were added after the agenda was posted, Mr. Kelly suggested they should be added by motion. Councilwoman Duffie made a motion to add resolutions 2020:186 through 2020:188. Councilman Seymour seconded the motion. The motion carried. All present in favor, none opposed.

COUNCIL

Councilwoman Sandhusen shared her enthusiasm for the new Green Team members and acknowledged the diversity of their experience. She said the Municipal Alliance met virtually and the meeting was well attended. She said they are discussing fundraising opportunities,

He thanked the Recreation Committee for their hard work to get things back up and running safely. He also thanked first responders for all that they have been doing throughout the COVID crisis.

Councilwoman Duffie said she and Councilwoman Sirocchi-Hurley have been discussing fundraising ideas for the 100th Anniversary celebration and are planning a virtual committee meeting for the near future. She said she attended the COVID Task Force meeting on behalf of Council President Grotsky and noted the opening of Borough Hall to the public by appointment and the school board's preparation for school resuming in the fall. Councilwoman Duffie mentioned the active house fire on July 23rd and thanked the Fire Departments from surrounding towns for their assistance in responding. She said one New Milford firefighter sustained minor injuries. She said Marlene loved her community and devoted many years of volunteering to the town.

Council President Grotsky said he has been monitoring tax collection and it has been going well.

Councilwoman Sirocchi-Hurley said she had a request from a representative from Alumni in Recovery for permission to hold their Black Poster Project at the Borough Hall on August 8th. She said it is a solemn observation acknowledging people who have lost their lives to addiction. All were in favor of permitting the event to take place as requested. Councilwoman Sirocchi-Hurley said the Stigma Free Committee is interested in planning some outdoor events. She said she has been in touch with the people at the food pantry at Ascension Church and they thanked the residents of the New Milford for their generosity; she said they are in need of some items and appealed to the public for donations.

Councilwoman Grant said the Board of Education held both the Middle School and High School graduations a few weeks ago and both went well. She said the BOE is busy planning for September, noting there are many options and that nothing has been finalized to date. Councilwoman Grant said the Library is continuing with curbside pick-up and it is going well. She extended thanks and condolences on behalf of the Library Board to Ms. Slavin's family, as she had been an active member of the Library community. She additionally noted that the Library Board adopted a travel policy for employees that is similar to that of the policy adopted by the Borough. Councilwoman Grant encouraged everyone to complete their 2020 Census questionnaire, noting that the state will lose \$1,800 in federal funds per year, for ten years, for every person that is not counted.

Mayor Putrino said that he attended both graduations and that they were well attended and well run. He said he also attended the Hovnanian School graduation with Councilwoman Sirocchi-Hurley. Mayor Putrino reported a total of 473 positive cases of COVID-19 with 43 fatalities. He said that there was no change since the prior day.

COUNCIL LIAISON REPORT
Councilwoman Hedy Grant

Virtual Meeting of the Mayor & Council
July 27, 2020

LIBRARY (Virtual Special Meeting)

Participants: Mayor Putrino, Administrator Chris Demiris and Library Director Terrie McCall

Discussed the Governor's permission for libraries to open.

Decided not to open to patrons for the summer and to revisit the issue in September.

Meanwhile, curbside pickup is working well.

BOARD OF EDUCATION REOPENING TASKFORCE (July 7)

Superintendent Polizzi presented all the issues needed to be addressed for a September reopening of schools.

Brian Pierro - new Maintenance Supervisor - discussed cleaning. Electrostatic guns - can be used on Chrome books and can mist paper. Hand sanitizer everywhere.

Masks - everyone in a school building has to wear a mask per the current State guidelines. PPE has been ordered but it might not be enough for the year. Students should wear their own masks and bring a spare. Face shields are still a question. A good idea as it's easier to understand what's being said when a face shield is worn rather than a mask. Nurse's office will have extra masks. Students with underlying health issues e.g., asthma, - how to handle. Temps will be taken when students enter school. Cut-off point is 100.0 degrees. Ask parents to take temps before children leave the house and keep them home if they're febrile (have 100.0 degrees temp or more). There will be a quarantine area outside if a student registers a temp. Won't be allowed to enter the building. Parent will be called. Limit locker use.

Stagger school hours. Half-days.

"Close contact" - anybody within 6 feet for at least 15 minutes.

Food service. More a "grab and go" style." Free &/or reduced lunch program: details: to be determined.

Treatment of special classes such as art, Phys. Ed. (no locker room; focus on cardio & fitness; no weight room),, chorus, etc.

Special services.

A-Day, B-Day, Home Virtual Day.

Bus safety discussed.

After school sports - still planned; start at 3 pm.

Clubs will be virtual.

Ventilation was discussed.

Reopening Plan must be submitted to the County Education Department by July 20.

BOARD OF EDUCATION (July 14)

Work Session:

Superintendent Polizzi discussed the graduations took place July 12. He praised the students, their parents, teachers, student speakers, Board Chair Paige Ryan, the chorus, etc. He thanked the principals who were instrumental in arranging such a safe graduation.

BOROUGH OF NEW MILFORD

14 DAY QUARANTINE FOR EMPLOYEES UPON RETURN FROM TRAVEL JULY 6, 2020 COVID-19 Incoming Travel Advisory Policy

I. Purpose

Due to COVID-19, the State of New Jersey issued an incoming travel advisory effective June 25, 2020 to all individuals entering New Jersey from states with a significant spread of COVID-19 that recommends to quarantine for 14-days after leaving that state. The Borough of New Milford (the "Borough") believes it is in the interest of the health, safety, and welfare of Borough employees to follow this incoming travel advisory to prevent the spread of COVID-19.

II. Scope

This Policy applies to all Borough employees arriving from a state with a positive COVID-19 test rate higher than 10 per 100,000 residents over a 7-day rolling average or a state with a 10% or higher positivity rate over a 7-day rolling average. As of the effective date of the incoming travel advisory (June 25, 2020), the following states satisfied the stated criteria for recommended 14-day quarantine upon return therefrom: Alabama, Arkansas, Arizona, California, Florida, Georgia, Iowa, Idaho, Louisiana, Mississippi, North Carolina, Nevada, South Carolina, Tennessee, Texas, and Utah. The list of states is not exclusive and is subject to change based upon data showing an infection rate meeting the incoming travel advisory criteria. The Borough will determine on an ongoing basis and based upon guidance from and the best available data issued by the Centers for Disease Control and Prevention (CDC) and/or the New Jersey Department of Health (NJDOH) which states satisfy the incoming travel advisory 14-day quarantine criteria.

III. Definitions

COVID-19 shall mean an infectious disease caused by a newly discovered coronavirus.

Incoming Travel Advisory shall mean the joint advisory issued by the Governors of New York, New Jersey, and Connecticut which took effect at 12:01 a.m. on June 25, 2020, stating that all individuals traveling from states with significant community spread of COVID-19 quarantine for a 14-day period from the time of last contact within the identified state.

Incoming Travel Advisory Quarantine shall mean the 14-day period of isolation recommended by the Incoming Travel Advisory.

Travel Advisory State shall mean a state with a positive COVID-19 test rate higher than 10 per 100,000 residents over a 7-day rolling average or a state with a 10% or higher positivity rate over a 7-day rolling average.

IV. Policy

1. Borough employees who travel to a Travel Advisory State must quarantine for 14-days upon leaving that state, so long as the Incoming Travel Advisory is still in effect after their departure from that state. These employees will be required to work from home during their Incoming Travel Advisory Quarantine. If the nature and requirements of the employee's job will not allow him or her to work from home during his or her Incoming Travel Advisory Quarantine, then he or she will receive paid leave during the Incoming Travel Advisory Quarantine under the terms of the Families First Coronavirus Response Act ("FFCRA"), Pub.L. 116-127 (2020), with up to eighty (80) hours of paid leave.
2. Borough employees who have already used the full amount of paid leave under the terms of the Families First Coronavirus Response Act ("FFCRA"), Pub.L. 116-127 (2020), will be required to use accumulated sick, vacation or other accumulated time during their Incoming Travel Advisory Quarantine, and if they have none available, their leave will be unpaid.
3. Any employees seeking to use vacation time, including for any travel to another state, are required to provide the state of destination and get written approval from their supervisor. In the event the employee refuses to provide the location to where they are traveling they will be subject to the conditions set forth in number one above.
4. The Borough reserves the right to exempt health care providers and emergency responders, as those terms have been defined by the United States Department of Labor, from leave and paid leave benefits provided under the FFCRA.

V. Oversight

The Borough reserves the right to request any documentation and/or records to effectively administer this Policy. The Borough reserves the right to take any necessary actions to verify that Borough employees who quarantine are following all CDC and NJDOH recommendations and guidelines for effective quarantine, including administrative telephone calls to the employee on quarantine.
