Mayor Putrino said more people have been making use of personal basketball nets at their home during the COVID pandemic. He said the nets are pulled to the street in front of homes, which is prohibited by Borough ordinance. He said he would like to lift the ban during the

pandemic and form a committee to establish guidelines to ensure safety and to limit any liability to the Borough. He said he would be willing to serve on the committee and suggested Council President Grotsky, as the liaison to the DPW, and Councilman Seymour, as the liaison to Recreation should serve as well. He asked to suspend enforcement of the ordinance while the matter is being discussed by the committee.

Councilwoman Duffie asked if it is permissible to suspend enforcement of the ordinance. Mr. Kelly said it is akin to the suspension of overnight parking. COUNCIL LIAISON REPORT
Councilwoman Hedy Grant

Virtual Meeting of the Mayor & Council
November 23, 2020

BOARD OF EDUCATION (Nov. 2) (work session)

Brief discussion of by-laws regarding meetings held remotely.

Superintendent Michael Polizzi and the Board discussed BoE meetings open to the public - hybrid, in-person (limited during COVID), all remote. All remote means more people can attend. There are about 200 people watching.

Dr. Kuchar said the big difference is the ability for people to submit questions in advance of the meeting. Paige Ryan suggests putting an area of the BoE's homepage for people to submit questions. People will still be allowed to ask questions at the end of the meeting when the meeting opens to the public.

No plans at this time to cancel winter or spring sports (high school).

Mr. Polizzi reported. Noted Policy 1648 - adopted in August - remote learning for families.

There was a positive COVID case at DEO Middle School. The case was associated with Cohort A, which met last Monday and Tuesday. Meeting again today. Learned of it this morning. No meeting tomorrow because of a holiday; Wednesday is a remote day. Schools put in shelter-in-place. DEO students were sent home. Parents of students in Cohort A were emailed. An email was also sent to Cohort B and to all faculty and staff. Berkeley and Gibbs parents will be notified of the situation. Lisa Natale, BoE nurse, discussed the situation. It's required by law to consult with Health Department - State and County. The children who had to leave DEO today will be credited with a full day of school. Nine faculty members at DEO will be quarantining but will be teaching remotely.

Lauren Odokstra, Curriculum Director, reported. Noted the number of students in each cohort in the high school. HS students will begin on Nov. 9.

Business Administrator Dr. Kuchar - going into budget season. Compared expenditures on Oct 30, 2019 with those as of Oct 30, 2020. Also noted encumbered monies. BoE received \$90,721 in CARES money. Just got school security money of \$113,855 (Alyssa's Law). Said the BoE is in good shape.

Approved agenda items.

Open to the public.

I reported on Borough activities.

BOARD OF EDUCATION (Nov 16) (public session)

Student rep Paris Dela Cruz spoke about student activities. Working on projects for children and seniors. Supporting the Food Bank. Considering virtual karaoke. Created "Humans of New Milford" to appreciate someone who has done "good." On Instagram. First person to be acknowledged/highlighted: Ms. Collantine (sp?)

Superintendent Michael Polizzi. MOA with NMPD is the same as last year. Said the Borough recommended that they consider closing in-person instruction because of current trend - local and state-wide.

Lisa Natale, school nurse, said covid numbers are going up. "COVID ACT NOW" - professional group that works with other health groups). Showed COVID ACT NOW website. There are 5 indicators. NJ is at the extreme risk level.

Recommendations. We're at 39.7; last time we were this high was in April. Above '10' they start to get nervous. Now we're in the 40s. Almost in critical range. Hospitalizations are increasing quickly. Last time we were this high was in April. Recommendation at this point is very high risk, which urges fully remote learning. State positivity rate has dramatically increased. From August to Nov. 16, there was a 67.85% increase in cases in NM (702 cases). About 112 students/faculty in quarantine.

Mr. Polizzi said there's not really much choice; between the borough's recommendation and the state's recommendation: NM will have to go to full remote. Will do so as of Monday, Nov. 30. That means 5 more in-person days. If necessary, will "make the call" sooner.

Lauren Odoksta discussed what fully remote will look like. She pointed out the new section on the website for "Remote Resources."

Dr. Perro talked about how to work with students with special needs and those with IEPs.

Approved motion to go to full remote from Nov. 30 until Feb.1 Virtual school plan. Will consider hybrid mode if appropriate before Feb. 1. Can move the Nov. 30 date up if necessary.(Motion was added to the agenda.) HS athletics (P72) - State will release its position on Friday. Mr. Polizzi said it would be unwise to go forward with HS winter sports as they are all indoor. Tabling the issue. BA33.

Business Director Stephanie Kuchar gave her report. A busy time of the year. Audit being done.

LIBRARY BOARD OF TRUSTEES (Nov. 19)

The minutes of the last meeting were approved as amended.

The Treasurer's report was reviewed and accepted and the Board approved the payment of bills.

Director Terrie McColl noted that the Pop-Up Libraries are now every Thursday from 2-4 pm weather permitting.

Curbside pick-up is doing well. Curbside pick-up is now available until 7 pm on Thursdays.

The Director discussed staffing. She noted that Library Assistant Amy was promoted from part-time to full-time. Some part-time staffers are still needed.

Hoopla will be made available by the end of the year. This will be a New Milford service, not a BCCLS service.

Saturday morning yoga classes are doing well.

The circulation numbers for this year were reviewed and compared with those from 2019.

The proposed budget for 2021 was discussed. The Director noted that it reflects a 10% reduction from 2020 as requested by the borough. The Capital Budget was also discussed; some of the items could be done by the DPW.

The acquisition of a "Book Safe" was discussed.

The Library's application for a Library Construction Bond Grant was not approved by the State. There will be a second round in January.

The need to hire a cleaning service was discussed as Luis is retiring as of Dec. 31 but his last day will be Nov. 30.

The Board discussed a proposed contract from the same company that does the borough's cleaning and approved it.

Someone will still be needed to do other things that Luis did - more custodial than cleaning.

The proposed meeting dates for 2021 were reviewed and approved.

I discussed the progress of the Sculpture Garden.

PLANNING BOARD (Nov. 17) (canceled)

OFFICE OF EMERGENCY MANAGEMENT

No regular meeting was held this month.

Events.

I attended, virtually, the extremely well-done Domestic Violence Symposium, which was coordinated by Councilman Matt Seymour and held at New Milford High School.

I attended the memorial service for Darren Drake on October 31.

I participated in the Borough's Trick or Treat Trail festivities on Oct.31. Close to 500 cars drove through Cecchino Drive and received candy. The mayor and council members were dressed for the occasion. Mel Urena acted as DJ. The weather was fabulous and everyone had a fabulous day!

I attended the always-moving ceremony at Borough Hall on Veterans Day, Nov. 11.

I attended the A.D.A.M event on Nov. 15 at Hardcastle Pond. A.D.A.M. stands for Alcohol & Drug Awareness Memorial. The New Milford Municipal Alliance (NMMA), chaired by Alyssa Loonam, coordinated the event. Michelle Roth, the mother of the late Alex Roth, who was killed by a drunk driver 26 years ago, spoke movingly about her son. Assemblywoman Lisa Swain and Assemblyman Chris Tully presented the NMMA with a certificate from the State Legislature.

The Census ended on Oct. 31. I was in charge of New Milford's effort this year. Although we were somewhat stymied by the pandemic, we had signs around town, frequent Facebook posts and I created bookmarks and had them printed bookmarks and the New Milford Public Library distributed them with books. New Milford's response rate was an excellent 82.61% while the state had a response rate of 69.5%. It was a difficult enterprise this year because of the pandemic but I am pleased that New Milford did so well!
