1. Memorial Day Overtime

Councilwoman Sirocchi-Hurley said the Public Events Committee does not have enough volunteers to coordinate the line-up and oversee the parade on the day of the event. She asked for the governing body's approval to authorize overtime to have a few DPW laborers available to assist with coordination on the day of the parade.

Council President Duffie said she agreed and suggested that they be assigned specific responsibilities and that they meet with the Chairperson in advance of the parade. The Administrator suggested the Chair should meet with the DPW Director to determine how they can best be of assistance.

All agreed to authorize the overtime.

2. Borough Hall Generator

The Administrator briefed the governing body on the age and condition of the borough hall generator. She said it is approximately thirty years old and has undergone numerous repairs and outages, the most recent of which took place a week prior when the power went out and the generator overheated and stopped working. She said even when it is functioning properly it only powers the OEM equipment, the BOH refrigerator and some lighting. She said most of the electrical outlets, lights and HVAC are not covered by the generator. She said the generator is an eligible ARP expenditure and that it could be replaced with a larger generator, that would cover the entire borough hall, for approximately \$100,000.

Councilman Grotsky said we should check with the auditor, as the ARP money has been supplementing the budget for revenue losses. The Administrator said she spoke with the auditor, and he had no objection to this level of spending.

Mr. Kelly asked if the generator covered the OEM operations. He was advised that it does. Council President Duffie asked if OEM should be covered by its own separate generator. Mayor Putrino said OEM has a redundancy plan to move their operations should the borough hall go down; there is no need for a separate generator.

All agreed the Administrator should move forward with the replacement of the borough hall generator.

3. Bergen County Open Space

The Administrator said the application period is open, with the Declaration of Intent due April 8th and the application due May 6th. She said a public hearing is required prior to the application deadline. She said she received three suggestions for consideration: lighting for the basketball courts at Prospect Park, new playground equipment for the older children at Prospect Park and the addition of a volleyball court in the parking lot across the street from Prospect Park.

The governing body requested prices for both the lighting of the basketball courts and the playground equipment with priority to be given to the lighting for the basketball courts.

Councilwoman Sandhusen commented on the scarcity of parking in the area and said she would not be in favor of eliminating any parking to add recreation facilities.

4. 2022 Budget Update

Councilman Grotsky said the committee is still working on drafting a responsible budget. He said we are still waiting on numbers from the BCUA, and we have made some cuts and increased some anticipated revenues.

The Administrator said the committee hopes to have a recommendation for the governing body on March 14th in advance of the budget introduction, which is scheduled for March 28th.

Mayor Putrino said he has been in touch with the Elks, and they may sponsor a beer garden during the Food Truck Festival.

Ms. Varettoni said the committee has done some fundraising. She said the banner sale was very successful with the local business community really coming through. She said the first 54 locations sold out at \$250 each and Shop Rite offered use of an additional 20 streetlamp poles on their property. She said those have sold out as well.

She said in addition major sponsorships are available with Bronze going for \$1,000; Silver going for \$2,500 and Gold going for \$5,000. She said so far, they have gotten one Bronze sponsorship and two Gold.

Finally, she reported on a brick paver fund raiser that is just getting underway. Bricks, with personal inscriptions, will be sold and installed by the gazebo.

Council President Duffie asked if the banners would be going up soon. Ms. Varettoni said they would be going up toward the end of March, once we have gotten through a majority of the winter weather.
