COMMENTS FROM THE PUBLIC

The meeting was opened to the public on a motion from Councilman Putrino, which was seconded by Councilman Murray. All present in favor, none opposed.

Mayor DeBari asked that anyone with flood related comments please hold those questions until the meeting scheduled for Wednesday, January 30, 2008.

Mr. Tom Crispino, 205 Fulton Street, came forward to address the Council. Mr. Crispino asked about the parking lot that was recently installed behind the Post Office. He questioned why parking was restricted for use by only those people participating in or attending events at Williams Field. He suggested a compromise during off-season and mentioned the increased need for parking due to the popularity of Madison Spine and Physical Therapy. The Council agreed to review the matter with the Police Department to determine if a compromise would be feasible.

The Mayor recognized Steven Connor and announced that he would be building a gazebo on the south lawn of the Borough Hall as his Eagle Scout project.

Mr. Gus Bachmann, Stevens Court, came forward to address the Council. Ms. Bachmann asked how the list of people, who received notice of the flood meeting, was developed. It was explained that the engineer developed the list based upon the people directly impacted by the first phase of work planned for the Hirschfeld Brook Flood Mitigation. He suggested that others should have been noticed to get the greatest amount of input from those compromised by the flooding. The Clerk agreed to look for the list of people who originally volunteered to provide feedback on flooding.

Dolores Weisenbach, Washington Avenue, came forward to address the Council. She stated that many of the people in her neighborhood did not receive notice of the meeting and did not see the notice in the newspaper.

Mr. Bachmann asked if it would be possible to have a copy of the Flood Mitigation study placed at the Library, noting that it is more comfortable there than if you were to review it at the Borough Hall.

As there were no further comments from the public, the meeting was closed on a motion from Councilman Murray. Councilman Putrino seconded the motion. All present in favor, none opposed.

VOTE ON RESOLUTIONS

Councilman Putrino made a motion to approve resolutions #2008:43 through #2008:45, #2008:47 through #2008:52, #2008:54 through #2008:56, and #2008:58. Councilwoman Subrizi seconded the motion. All present in favor, none opposed.

Councilman Putrino made a motion to approve resolution #2008:53. Councilman Murray seconded the motion.

Councilman Bachmann asked to comment on this resolution prior to his vote. Councilman Bachmann acknowledged that the appointment is the Administrator's to make but stated that he had not had the opportunity to review the applicant's resume. He added that the applicant had no experience as a Property Maintenance Officer.

The motion passed on a roll call vote as follows:

For the motion: Murray, Putrino, DeBari

Against the motion: Bachmann, Subrizi

Abstain: None

Councilwoman Subrizi made a motion to approve resolution #2008:57. Councilman Putrino seconded the motion. The motion passed on a roll call vote. All present in favor, none opposed.

Councilwoman Subrizi commented that while she understands the necessity of the temporary budget she does not like having to vote on an approximate budget.

Councilwoman Subrizi stated that she did not believe the position of Property Maintenance Officer was part of the salary ordinance and suggested that it be added.

The Mayor suggested February 9th at 10:00 AM and March 3rd at 7:00 PM for upcoming budget meetings. The Clerk will check with the CFO and notice the newspapers with the dates and times.

ADJOURNMENT

Councilman Putrino made a motion to adjourn. Councilwoman Subrizi seconded the motion. All present in favor, none opposed. Time 9:35 PM.

Respectfully submitted,
