1. Animal Control

Mayor Putrino said the Borough is currently under contract with Tyco Animal Control. He said based upon feedback from a resident, the Administrator obtained information from the County on their animal control services. He said they have fifteen full-time animal control officers; offer emergency boarding; implement a trap, neuter, release program; accept surrenders and provide service 24/7/365, at no additional charge. He said Tyco has done a good job, but the county provides additional services. He acknowledged the additional benefits come at a slightly higher rate.

The Administrator said the annual contract with the County is approximately \$5,000 more but they do not charge for calls after hours or on weekends, which offsets some of the additional cost.

Mayor Putrino said they offer a two- and four-year contract. He suggested the Borough consider a two-year contract with the County.

Councilwoman Grant said she likes that the County offers a trap, neuter, release program and she has heard good things about their services.

All agreed to move forward with a two-year agreement with the County. A resolution to authorize the contract will be prepared for the next meeting.

2. Schedule Updates

- Sunday, November 20th – 4th Annual ADAM Event – NMMA – 6:30 PM – Hardcastle Pond
- Saturday, December 3rd – Holiday Breakfast – NMPSD – 8:00 AM to 9:45 AM – NMHS Cafeteria

- Sunday, December 4th – Holiday Tree Lighting with Santa – Public Events – 6:00 PM to 8:00 PM at Borough Hall and on Kennedy Field

Councilwoman Duffie said the 100th Anniversary Time Capsule may be buried on December 4th as well.

3. Administrator's Report

- Engineering Update
 - Madison Avenue Sidewalks – the NJDEP permit deemed incomplete due to an issue with the county ROW. In addition, an issue has arisen with NJDOT concurrence regarding a county guiderail. We are going to make an appeal to our legislator for assistance with the state agencies.
 - NJDOT Culvert project is pending submission to the DEP. Application and permit fee calculation were provided to the borough 11/10.
 - Sutton Place Tennis Court Lighting – poles and fixtures have been installed, contractor coordinating with PSE&G for connection to power.
 - Milford Avenue/Hirschfeld Place Pedestrian Crossing – ramps and sidewalk have been installed; request has gone out to the County to install crosswalk and signage
 - NJDOT Boulevard and Graphic Traffic Signal – design is being finalized with authorization to bid anticipated in December
 - Faller Drive CDBG Road Project – Project has been authorized, engineer to provide schedule
- 2023 Professional RFQ's are due on Wednesday, November 23rd
- Borough Hall will be closed on Thursday and Friday, November 23rd and 24th in observance of Thanksgiving
- The November 28th Public Session has been cancelled. The next meeting will be a combined session, scheduled for Monday, December 19th

Mayor Putrino said we will appeal to our local legislators for assistance on the Madison Avenue Sidewalk project but if we are unsuccessful, we may need to abandon the project.

Mr. Kelly said the proposed sidewalk is to be located on County property. He said because the area is not part of the County right of way (ROW), the DEP permit fee is based on the entire piece of county land, as if it were a private development. He said the Borough asked the County to deed this portion as part of the ROW, but the parcel is included on the County's Recreation and Open Space Inventory (ROSI). If they were to deed a portion as part of the ROW, they would need to dedicate another piece of land to compensate for this one on the ROSI, which is something they are not prepared to do.

Mayor Putrino asked for a motion to add the topic, Engineering – Contract, to the closed session agenda. Councilman Grotsky made the motion. Councilwoman Sandhusen seconded the motion. The motion carried. All present in favor, none opposed.

COUNCIL:

Councilwoman Grant said she had nothing to report.

Council President Duffie thanked the Public Events Committee for their efforts with the Veteran's Day Ceremony. She reported that the Beautification Committee is partnering with the Girl Scouts to decorate the New Milford tree at Van Saun Park for the County's Winter Wonderland. Council President Duffie said the Board of Health will soon be recommending someone for the part-time position of Public Health Nurse.

Councilman Seymour thanked the governing body, the school district and the NMPD for their support and assistance with the recent Domestic Violence Symposium. He said the number of participants/viewers has continued to grow each year. Councilman Seymour encouraged all to attend the upcoming ADAM event on November 20th.

Councilwoman Sandhusen expressed her appreciation to the 100th Anniversary Committee, the Historic Preservation Commission, and Council President Duffie on a job well done on the events that made up the Borough's 100th Anniversary celebration. She reported on the recent presentation by the Northern NJ Community Foundation at the Environmental and Energy Commission meeting and said the presentation was recorded and a link will be posted for anyone interested in viewing the presentation. She said the Environmental Resource Inventory is underway.

Councilman Grotsky said the Shade Tree Commission has submitted a draft of the proposed ordinance revisions to the Borough Attorney for his review. He said he and the Borough Attorney met with Chief Clancy to review the PD table of organization, as required by ordinance, and all is in order.

Mayor Putrino said the Historic New Bridge Landing Park Commission has a number of events planned and encouraged everyone to visit their website for additional information. Mayor Putrino said following the Veteran's Day Ceremony, the bridge on Main Street, between the Boulevard

and Carlton Place was dedicated to Staff Sergeant George Nichols, who was lost during the Vietnam War. Mayor Putrino said the NMJFL Seniors will be in the Junior Football Superbowl and are planning a bonfire in advance of the game.

Nicole Dunne – 305 Birchwood Road. Ms. Dunne said she was speaking on behalf of the Board of Education. Ms. Dunne said NMHS will be hosting an open house for Middle School students on November 17th. She said the theatre group will be presenting CLUE on November 17th and 18th. Mayor Putrino said the NMHS Music Department is sponsoring a mattress fundraiser on November 20th.

Tom Locicero – Paramus, NJ. Mr. Locicero said he has a business relationship with the Borough as a licensed tower. He said he was speaking on behalf of himself and other tow companies doing business in New Milford. Mr. Locicero questioned the required response time of fifteen minutes noting that all other towns give 20 to 30 minutes. He said it is almost impossible to respond within fifteen minutes. He additionally questioned the fee schedule, noting that it had last been updated in April 2019. He said a lot has changed since April 2019, noting that surrounding towns have rates that are 25% to 75% higher than New Milford. He encouraged the Borough to review the rates from the State Police, which he said can be found through the Garden State Towing Association. Mr. Locicero also questioned the Borough's policy requiring vehicles towed in relation to an investigation be towed at no charge. He said he understands the Borough not

costs but said insurance companies will pay for these tows. Mayor Putrino said we will consider the concerns raised and review the information with the Police Department.

The record reflects that no other member of the public wished to comment.

Councilman Seymour made a motion to close to the public. Councilwoman Grant seconded the motion. The motion carried. All present in favor, none opposed.
