BERGEN COUNTY, N.J.

CODE OF ETHICS

JANUARY 1, 1984

NEW MILFORD CODE OF ETHICS

A resolution Establishing a Code of Ethics For The Officials and Employees of the Borough of New Milford And Providing Penalties for the Violation Thereof,

Whereas, the public judges its government by the manner in which public officials and employees conduct themselves in the posts to which they are elected or appointed; and

Whereas, the people have a right to expect that every public official and employee will conduct himself in a manner conducive to the preservation of public confidence in and respect for the government he represents; and

Whereas, the Borough Council deems that such confidence and respect can be best preserved by a declaration of policy and the adoption of a code of ethics to establish standards of conduct for the officials of New Milford:

Now, therefore, be it resolved by the Borough Council of the Borough of New Milford as follows:

- d. Person – Any person, firm, association, group, partnership or corporation, or any combination thereof.

Section II – Fair and Equal Treatment

No official shall

- a. Request, use, or permit the use of any consideration, treatment, advantage or favor beyond that which it is the general practice to make available to the public at large;

- b. Request, use or permit the use of any publicly-owned property, vehicle, equipment, material, labor or service for the personal convenience or the private advantage of himself or any other person, except if such use is in the conduct of official business of the Borough;

Section III – Conflict of Interest

No official shall

- a. Either for himself, or on behalf of any other person have any other person have any financial or personal interest in any business or transaction with any public body in the municipality unless he shall first make full public disclosure of the nature and extent of such interest;
- b. Appear on behalf of any private person, other than himself, before any public body in the municipality;
- c. Accept any gifts of a compromising nature, whether in the form of money, thing, favor, loan or promise, that would not be offered or given to him if he were not an official or employee;
- d. Disclose any confidential information concerning any other official or employee, or any other person, or any property or governmental affairs of the municipality, without prior formal authorization of the public body having jurisdiction. Whether or not it shall involve disclosure, no official or employee shall use or permit the use of any such confidential information to advance the financial or personal interest of himself or any other person.

Section IV – Violations

- a. In the event that any official of New Milford does not comply with the aforementioned standards, a charge may be instituted by the Borough Council or any individual when he has knowledge or information indicating that a violation exists. Such charge or charges shall be in writing under oath and shall be signed by the person charging a violation thereof as the case may be and shall contain a clear and concise statement of the facts alleged to constitute such violation. The Borough Council shall promptly set a date for formal hearing of the charges and shall serve a copy of the charges on the accused and shall advise him, in writing, of the date and place of such hearing at least ten days prior to the announced date. Such hearing shall not be public unless requested by the accused official. At such hearing, charges shall be presented, and supporting evidence shall be received, and the accused shall be offered an opportunity, either personally or by counsel, to cross-examine the witness to be heard and to present evidence on his own behalf. In the event that the accused shall be a member of the Governing Body, said accused shall not take part in any deliberations with respect to the hearing or determination thereof.

- b. As soon as practicable after conclusion of said hearing, but not later than thirty days, the Governing Body shall render a written decision on the charges and shall mail a copy thereof to the accused and file a copy with the Borough Administrator.

**BOROUGH OF NEW MILFORD
PURCHASING PROCEDURES**

Below is an outline of purchasing procedures which are being implemented as part of the Borough's Purchasing Policy.

The purpose of the following procedures is to provide all Borough Departments assistance in securing the best merchandise or service in an efficient and economical manner and in accordance with all statutory requirements. These procedures may be changed, amended or updated periodically.

Please note department heads are legally responsible for their budgets under Chapter 131, PL 1989.

Once obligations are encumbered for the year, these funds are "held" aside and unavailable in your budget. It is critical to review your budget balance monthly and plan accordingly. Once your budget has been spent, there will not be any funds available and your budget will be frozen. **YOU MUST PLAN ACCORDINGLY AND KEEP A WATCHFUL EYE ON YOUR BOTTOM LINE!!**

Requisitions:

A. All requisitions will be input into the Munidex Sytem and a printed requisition should be sent to the QPA accompanied by one of the following:

(reminder: should your total budget no longer have available funds the system will not allow you to process a requisition. If this occurs you will have to notify the CFO, in writing, of all pending requisitions and wait for a budget transfer if authorized. **YOU WILL NOT HAVE THE AUTHORITY TO MAKE THE PURCHASE UNTIL THE PURCHASE ORDER IS APPROVED!!**

1. A phone quote for the exact amount of the purchase if less than \$1,500
2. Three (3) phone quotes if over \$1,500 and less than \$5,400
3. Three written quotes if over \$5,400 but not greater than \$36,000 and authorization of the Administrator
4. A valid State Contract number
5. Resolution number authorizing contract, project or purchase (if applicable)
6. Ordinance number authorizing purchase or project (if applicable)

- B. The QPA will review all information for accuracy and compliance. If there are any discrepancies (i.e. state contract has expired, the vendor does not have a NJ business registration or W9 not completed) the requisition will be returned unable to process.
- C. Upon approval of the requisition, by the QPA, the purchase order will be submitted to the CFO for certification of funds availability. Each PO should have as much pertinent information as possible on it: Quote #, Contract #, all particulars of the order in detail. The CFO may, at this time return unapproved requisitions with an explanation or change budget codes if determined to be necessary.
- D. The purchase order will be certified for funds availability, encumbered, and the approved Purchase Order returned to you. NOW you are authorized to order the materials. Submit the PO (and payment vouchers if drawing down) to the vendor for original signatures.
- E. After the goods or services have been received and inspected, the department manager should sign the copy of purchase order and/or payment voucher as completed and submit to Accounts Payable for payment. All drawdown vouchers will require original vendor signatures. Send signed PO or Payment Voucher with attachments to accounts payable for processing payment.

Encumbering recurring obligations:

All contractual, leases, and recurring monthly obligations should be encumbered in full for the remainder of the year.

- A. Blanket PO's should be established for all recurring expenditures. This includes (but is not limited to) monthly contracts, lease agreements, professional services and vendors used regularly such as auto parts, hardware, food. Encumbrances will be made in accordance with adopted temporary budget amounts on a quarter by quarter basis until adoption of the final budget.
- B. PO's for these services will be fully encumbered with the actual contract amount or an estimate (as close to actual as possible) to the end of the year (December 31st).
- C. If estimated, the PO should state "Blanket Order not to exceed"
- D. Payment Vouchers shall be utilized to "draw down" on encumbrances that are not being paid in full.
- E. The Department is responsible for maintaining a central file of original PO's that have been encumbered until they are paid in full or canceled.

- F. All PO and Payment Vouchers must have original signatures!! This is required by law. If not the PO and Payment vouchers will be returned to the department manager unprocessed Therefore each department can:
1. Send Blanket PO along with several Payment Vouchers to the vendor for original signatures or,
 2. Send Blanket PO to vendor for original signature and payment voucher for original signature each time a payment is to be made.
- G. When and invoice/bill is received, the department manager will submit a Payment Voucher, original invoices and original signatures for payment or draw down to accounts payable to initiate the monthly payment or "drawn down" against the encumbered funds. There will not be a need to type another PO. If the Payment Voucher is incomplete it will be returned.
- H. Purchases Orders are only valid for expenditures occurring in the calendar year in which they are encumbered. They cannot be used for the following year. After a PO is paid in full for the calendar year and all remaining invoices, through December, have been paid, the PO shall be canceled.
- I. If the final payment or drawn down on a blanket Purchase Order exceeds the balance available of the original encumbrance, you must receive CFO original signature recertifying availability of funds to make the final payment and close the PO. You may also cancel the balance and encumber a new blanket PO. In the case of certain contractual items, you may seek CFO approval to increase above the \$1,500 threshold.

Emergencies:

Emergency purchases may be made sparingly and are not an acceptable substitute for planning. Therefore it is prudent to get quotes and have blanket orders established for car parts, plumbing, heating, electrical services etc.

An emergency as defined by the State is "a situation which endangers the public health, safety and welfare". Only in such circumstances may a purchase be made without a purchase order or encumbering funds.

- A. The department manager must notify the Administrator of the emergency and what services are required.
- B. If the Administrator determines a true emergency exists, you should follow all steps under the Requisitioning process. You may proceed with the purchase. The department will initiate a requisition by the first business day immediately following the emergency. All proper paper work and documentation must be obtained!! This will then be processed in the normal manner. Vendor will not be paid if ALL proper paper work (requisition, purchase order, invoice) is not processed.
