AN ORDINANCE TO AMEND CHAPTER IV OF THE REVISED GENERAL ORDINANCES OF THE BOROUGH OF NEW MILFORD ENTITLED "ADMINISTRATION," THEREBY AMENDING SUBSECTION 2-33 ENTITLED "ENVIRONMENTAL AND ENERGY COMMISSION"

Councilwoman Grant asked why the appointment of an associate member is made by the Mayor without the advice and consent of the Council. Mr. Kelly said it is an honorary appointment of a non-voting member; it is different than an appointment of a full member of the commission.

Councilwoman Grant said the ordinance should contain language that references the need for an area of expertise. Mr. Kelly said the language is not specific to allow flexibility and to encourage people to volunteer.

Councilwoman Grant asked Councilwoman Sandhusen who she would see as a potential appointment. Councilwoman Sandhusen said associate members would be individuals with the

interest or expertise to work on a project. She said the commission would make a recommendation to the Mayor. She said the associate membership provides an opportunity to volunteer without a three-year commitment.

Councilman Grotsky said he does not think it should be limited; it should be open to whomever is interested in helping the Environmental Commission on certain projects.

Council President Duffie said she thinks the language should remain vague. She said the commission has been aggressive about projects and this will allow them to add to their workforce.

Councilwoman Grant suggested that Councilwoman Sandhusen should report back at the end of the year. Mayor Putrino said this could be addressed in the EEC's annual report.
